Imagine a night where inspiring stories meet transformative impact. That's the magic of **Drop The Mic Night**.

On **October 11, 2025**, we're bringing together 10 aspiring speakers to step onto the stage and captivate an audience with their heartfelt takes on the theme of **COMMUNITY**. But this isn't just about storytelling; it's about making a difference.

The idea for **Drop The Mic Night** was born out of a simple yet powerful mission: to create a space where aspiring speakers could find their voice, share their stories and build confidence in front of a live audience. After years of coaching speakers, I saw a need for more opportunities to turn preparation into action and dreams into reality. With Drop The Mic Night, my team and the community have helped me build a platform where storytelling becomes a force for personal growth – and a tool for giving back.

This October, we're taking that mission even further. **All proceeds from this event will go directly to LiveGirl, a Connecticut-based nonprofit organization that prepares the next generation of diverse, brave female leaders with skills, community and connections so that ALL girls may thrive and make a positive impact on the world.** By sponsoring Drop The Mic Night, you're not just helping us amplify new voices, you're helping change lives.

Join us in turning this vision into reality. Together, we can uplift speakers, strengthen communities and spark change...one mic drop at a time!

On **October 11, 2025, Drop The Mic Night** returns with a new theme: **COMMUNITY**. Ten aspiring speakers will take the stage to deliver heartfelt, hilarious and inspiring 5-minute presentations that capture the essence of this theme. It's an evening of unforgettable storytelling, laughter and maybe even a few tears.

And this event is about more than sharing stories. It's about creating impact. 100% of proceeds from our October event will go to LiveGirl, a Connecticut-based nonprofit organization that prepares the next generation of diverse, brave female leaders with the skills, community, and connections so that ALL girls may thrive and make a positive impact on the world
