

## 10 Years Strong—And Just Getting Started

With deep gratitude and bold ambition, we're proud to share our **2024 Gratitude Report**, celebrating a decade of impact—and the extraordinary future we're building together.

Over the past 10 years, LiveGirl has grown from a bold idea into a powerful movement. Together, we've served more than **20,000 girls**, nurtured confidence and leadership, and watched young women rise—from curious middle schoolers to career-ready leaders through SHE WORKS.

In a world that too often sidelines girls, LiveGirl creates space for them to lead—and hands them the mic. Our data tells a powerful story:

- 20,000+ girls served
- 97% program satisfaction
- Career pathways opened through real-world placements
- Measurable gains in confidence, leadership, and opportunity

And behind every number is a girl whose life was transformed—***because of you.*** Thank you for standing with us, supporting our vision, and believing in the potential of these remarkable young women.

As you explore the stories and milestones, we hope you'll feel proud, inspired, and recommitted to what we can achieve together. **Thank you for being the heart of LiveGirl. Here's to 10 years strong—and a limitless future ahead.**

In Gratitude,

Founder, CEO, and Chairperson
